## بيننا خبز و ملح

*Bread and salt depict the rapprochement and alliance between people that happens over a shared meal; breaking bread.*

Em Sherif, which translates to “the mother of Sherif” in Arabic, is a traditional, refined and multifaceted Lebanese culinary experience – one curated with love, made with intention.

Founder (and Sherif’s mother) Mireille Hayek, wants this meal to remind you of ones shared around her own dinner table; a glimpse into “la vie Libanaise”.

Welcome Home. Welcome to Em Sherif.
